Edition 4, Term 3

From the Principal

Teachers and parents can support students to develop the cognitive skills, values, attitudes and attributes needed for lifetime success by supporting them to 'think right' and 'behave right'.

1. Think right

If children get stuck at something, don't solve it for them.

Ask "How could you do this?" "Have you done anything similar before?" "What did you do then?" This helps them develop their own learning ideas and makes them much less likely to say they can't do things.

Build big picture thinking.

Ask "What would happen if ... it never got dark/the rivers ran dry/ everyone ignored the law?" A key characteristic of students labelled as gifted is their ability to see how learning connects to the wider world.

Build imagination.

Ask "How would you weigh a giraffe/rhinoceros/bridge/house/star?" Creativity builds learning capability and is vital for high performance.

Develop critical or logical thinking.

Ask "Why do you think ... bread goes mouldy if you don't freeze it/ babies cry/ leaves fall when autumn comes?" The ability to deduct, hypothesise, reason and seek evidence is probably the characteristic most associated with academic success.

Help them monitor their own progress.

Ask: "What do you need to be able to do this? How can you

check you're on track? How can you tell whether you are doing it right?" This is the key to maximising thinking skills.

2. Behave right

Intellectual confidence. This is a 'can do' approach to learning, even when it's hard. If a child says they are no good at something, say: "I know you can learn how to do this if you work at it."

Open-mindedness. Being open to new ideas is the hallmark of an advanced learner. Start with being open-minded yourself so you model what it's like to be receptive to ideas that differ from your own.

Curiosity. Children ask lots of questions if you answer them. The desire to know more – curiosity – is at the heart of all learning. The more curious children are, the better they do at school and in life.

Practice. It's the only way to get good at something. Make sure it is regular, deliberate and planned, working towards achievable incremental goals. Practise what you can't do well.

Perseverance. To keep going when it's tough is the most important behaviour in high performance. With younger children, you can talk about what would happen if no one persevered – the farmer who didn't bother to harvest his crops, the builder to finish the house, the surgeon to complete the operation. With older ones, encourage a sense of pride in what they do so that they are motivated to persevere.

Middle School Award

On Friday 25 August, WestMAC's Middle School received the *Exemplary Transition Program for Middle Years Students Award*

at the Adolescent Success gala awards ceremony at the Brisbane Convention and Exhibition Centre. Adolescent Success is a Queensland-based national professional association of middle years' educators. This is one of five awards across different categories that was open to all schools with middle school students in Australia. Mr Doug Braiden, Head of Middle School, submitted the nomination on behalf of the Middle School. The application addressed the criteria by outlining how WestMAC's Middle School has successfully implemented programs of transition from primary to secondary school, providing evidence of how the varied and unique needs of young adolescents are addressed in our program. This is a very impressive achievement and I congratulate Mr Braiden and his team on their efforts in achieving this award.

Class of 1997 – 20 Year Alumni Reunion and Class of 2007 – 10 Year Alumni Reunion

On Saturday 19 August, the College was delighted to welcome students from the 'Class of 1997', WestMAC's inaugural graduating Year 12 cohort, to celebrate their 20 year reunion. Together with several longstanding staff members, we enjoyed an afternoon on the College campus and it was wonderful to see old friends reconnecting and to hear their stories. A number of alumni accompanied me on a tour of the College grounds - as you can imagine, a great deal has changed at WestMAC since 1997!

Later that evening, we welcomed a large number of graduates from the 'Class of 2007' for their 10 year reunion at the Pumpyard Bar & Brewery in Ipswich. Again, it was a real joy to witness old friends catching up on the last ten years, and to hear about the diverse pathways our students pursue after graduation.

We all owe a debt of gratitude to College students, families and staff from those early years, who did not have access to the outstanding amenities we all enjoy today - we must not forget their willingness to take a risk and be part of something new. On behalf of the College community, I extend my thanks to our alumni for returning and reconnecting with us, and also to the many partners who also attended these events. We look forward to sustaining and strengthening these relationships in the years ahead.

Geoff McLay - Principal

Enrolments Office

Please be reminded of the Enrolment Policy that one term's notice is required of any student leaving the College. If a term's notice is not received, then one term's fees must be paid in lieu of notice. For any student intending on leaving the College at the end of 2017, notice will be required by the end of the September school holidays.

We have started the enrolment process for 2019 entry. If you are wishing to have a child/ren commencing in 2019, please complete your application as soon as possible. Applications can be accessed via <https://www.wmac.com.au/enrolments/australian-students>

If you have any questions, please contact Gayle Moore.

Senior School

Senior School Market Day

Congratulations to the Senior School students for what was a very successful Market Day. The students were raising much needed funds for Orange Sky Laundry, our chosen charity for 2017. At last count over \$1000 was collected on the day. The Market Day showcased the tremendous leadership capacity of our students.

QCST

This Tuesday (29 August) and Wednesday (30 August) saw our Year 12 students sit the QCST. On both mornings, prior to the commencement of the tests, Mrs Nicole Kennedy and her band of helpers cooked bacon and egg burgers for the students. The students seemed very relaxed and in good spirits each morning and felt that they handled the papers reasonably well. A lovely tradition has developed over the years; on the Tuesday morning prior to entering the Lostroh Centre for the first paper, the Year 12s stand in a circle and give a resounding rendition of the *College War Cry*.

Careers

Year 12

All Year 12 students that are considering tertiary studies next year should be completing their QTAC applications. Ideally, we would like these to be completed before the end of this term.

Please check out the scholarship opportunities at all institutions. I am consistently told each year that institutions had funding they were unable to award.

News from UQ

Law LEAD Scholarships - apply now

The TC Beirne School of Law is currently offering the Leadership, Excellence and Diversity (LEAD) Scholarship to deserving students from disadvantaged backgrounds who intend to study an undergraduate law program at UQ.

For 2018 entry up to 17 LEAD scholarships are available, granting students \$7000 per year for up to five years in financial support, in addition to one-on-one academic support and other benefits.

Applications for the LEAD Scholarship will close on 8 September 2017. Applications can be submitted online.

For information, contact:

TC Beirne School of Law

Phone: 07 3365 2206

Email: tcbeirne@law.uq.edu.au

Web: <http://law.uq.edu.au/lead>

School of Economics Scholarships - apply now

Applications are open for two exciting scholarship opportunities at the UQ School of Economics.

The Year 12 Domestic Australian Scholarship is for outstanding Australian domestic students who are completing Year 12 studies. A \$5000 bursary each year for three years is granted to the successful application. Applications close 3 November 2017.

The Year 12 Equity and Diversity Scholarship is for students who can demonstrate a very keen interest in economics but who have been disadvantaged during high schooling. A \$5000 bursary each year is granted in addition to a mentoring scheme.

Applications close 28 November 2017.

Students seeking admission to the Bachelor of Economics are encouraged to apply.

For information, contact:

UQ School of Economics

Phone: 07 3365 6570

Email: scholar@economics.uq.edu.au

Web: <https://economics.uq.edu.au/>

UQ College Tertiary Preparation Program - apply now

UQ College Tertiary Preparation Program is delivered over 28 weeks in two trimester periods. The program will be offered at UQ College St Lucia campus in January, May and September 2018.

Students learn skills and meet prerequisites required for successful university-level study. On completion of the program, students can use their grade point average and prerequisites to apply for entry into a university degree.

UQ College Tertiary Preparation Program students are part of the university community. Students have access to the full range of support services that UQ provides. This allows for a smooth transition into a university degree on successful completion of the Tertiary Preparation Program.

Applications are currently open and will close on Monday 27 November 2017.

New program: Bachelor of Advanced Business (Honours), QTAC Code - 709101

From 2018, UQ Business School will offer a Bachelor of Advanced Business (Honours).

This elite program will help students become critical and reflective thinkers, capable of identifying, analysing and developing solutions for the complex challenges facing businesses in the 21st century.

The four-year honours program will be limited to a small, highly motivated and high-achieving cohort aspiring to leadership roles in business, the community or academia.

The courses in this program are designed to ensure students stand out to employers and are run by internationally respected industry experts and academics. Our unique capstone course in leadership and ethics will give students the opportunity to apply their knowledge and skills on real business cases.

Applicants must have Queensland Year 12 (or equivalent) English, and Mathematics B or C, or a combination of both.

For more information, visit the website.

Year 11

Enhanced Studies Program – apply now

High achieving Year 11 students are invited to apply for the Enhanced Studies Program (ESP). ESP provides students with an opportunity to extend their studies by completing a university subject in Semester 1 of Year 12. Over 40 courses are available in a range of study areas.

Who can apply?

Students currently completing Year 11, in all Queensland high schools, including on-shore international students and students studying for an IB who:

- Are high academic achievers gaining at least a 'B' cumulative average during Semester 1, Year 11,
- Can participate in ESP during first semester of Year 12,
- Are confident the extra study will not negatively impact their Year 12 studies,
- Have gained support and permission from their parent/guardian and their school to take on the additional workload.

Students who participate in ESP enjoy the benefits associated with being a UQ student. Upon successful completion of ESP, students will receive one bonus point towards their university entrance rank through UQ's Bonus Rank Scheme.

For full eligibility criteria, visit the website.

Applications close Tuesday 31 October 2017.

Middle School

Diploma of Business

WestMAC is providing an opportunity to our students to engage in a Diploma of Business whilst studying Years 11 and 12. As per our subject selection Handbook, this course is being offered as an elective outside of the subject lines normally

available. This means the course will be delivered after school one day per week (3 to 5pm).

The Diploma of Business course fee is \$1850 per student. Successful completion of the Diploma of Business has some very strong advantages to student outcomes. If a student successfully completes the course they can achieve 8 QCE points and a possible selection rank of OP equivalence 8 to 9 depending on the university they apply to. The unit's covered in this course could be recognised at university and, therefore, potentially could shorten a degree qualification if there are business subjects. In addition, this course can provide a qualification that is widely recognised and applicable to all business activities and hence, offers very good employability prospects.

Please email your expression of interest to Mr Noble.

Robert Noble - Head of Vocational Education

Senior School

Football Excellence

At the end of last semester, Football Excellence at WestMAC lost its leader Mr Cail Turp. Cail dedicated over 10 years to the Football Excellence program at the College and in 2016, saw the first ever TAS Football School Premiership won. We are thankful for his commitment and dedication and wish him well for the next chapter in his career. We have since welcomed three new staff to our WestMAC Football Excellence Team:

Mr Nicholas Barling – Teacher in Charge

Mr Barling brings to the team broad experience as an Elite Athlete Performance Coach, Personal Trainer, Semi-professional AFL player, as well as six years teaching experience. His expertise in elite sports performance and training is hugely beneficial in providing our Football Excellence students with knowledge and practical training to improve their individual and team performance. Mr Barling is teaching the Years 8, 9 and 10 Football Excellence classes with a focus on improving football specific fitness components, as well as guiding the students on the best implementation of recovery procedures into their hectic football schedules.

Mr Gabor Ganczer – Technical Director Western Pride Football Club

Gabor's top-level experience as a player and coach in Hungary, from 1994 until 2008, prepared him for coaching positions once he relocated to Australia. His coaching positions have included Brisbane Olympic Football Club Technical Director (2012 to 2015) and Brisbane Roar Football Club technical Analyst Coach (2015 to 2016). His qualifications include AFC Pro Licence,

UEFA A Licence, FFA Football Conditioning Licence as well as university degrees in sports management and communication.

His Football knowledge and expertise is second to none and WestMAC is privileged to have Gabor as part of our team to lead our students with their skills and drills. He is the coach of our First XI.

Mr Patrick Boyle – General Manager Western Pride Football Club

Pat's elite player experience in State League Football, Queensland and Australian Futsal has enabled his skillset and understanding of high performance football. His commitment to Football at WestMAC has been evident through coaching and supporting our program for many years; offering his time within and outside school hours.

Pat is coaching the Years 7, 8 and 9 Boys ISSA Cup Team who have just made it to the semi-finals after beating the 2016 competition winners, Gregory Terrace in the quarter-finals last week. Good luck to Pat and the boys.

TAS Sport

Trimester 3 TAS Sport

Results and competition ladders can be found at <http://www.theassociatedschools.com.au/>

Well done to all students and teachers so far this season. We have been enjoying some pleasing results amongst our teams. Our outstanding play of the fortnight must go to our Girls TAS Volleyball teams as we won four out six matches on the weekend against St John's. This is WestMAC's most dominant display in Girls Volleyball for many years and shows pleasing signs that we are improving in this area.

Our final round is this weekend, Saturday 2 September at home hosting Ormiston College. They have been the Trimester 3 big improvers and will be looking for revenge after WestMAC dominated them in Trimester 3 last year.

The TAS finals for Trimester 3 will be run in a different format. All Year 7 and 8 finals matches will be played at WestMAC, all Year 9 and 10 finals matches will be played at St John's, and all Seconds and Firsts finals matches will be played at CHAC. Once this finals draw has been completed it will be sent out to students and made available via the website.

TAS Athletics

The TAS Athletics squad for 2017 has been named this week and an email sent to both selected students and their parents. All students selected in the squad are asked to complete the online link to indicate whether or not they wish to participate in the carnival, to enable final team selections to be made.

Congratulations to...

- The following students who have made the Metropolitan West Athletics team to compete at the State Championships in Term 4: Ashton Windolf, Helena Andrews, Casey Bell, Alexander Gough, Annie McGuire, Camryn Novinetz, Ryan Stewart, Madison Wells.
- Jake Patrick participated in the National Golden Gloves Boxing Tournament over the past weekend. Jake was nominated up from the 14 year old schoolboy category into the 63kg Junior 15 to 16 year old category to make sure he faced quality opposition. This tournament had boxers from nearly every state in Australia and also from New Zealand and New Caledonia. Jake won his Semi Final bout against his opponent from New South Wales but lost his bout in the Final against his opponent from South Australia. Though relatively new to boxing, in May he was asked to join the Queensland team to represent Queensland in South Australia as a novice (0 to 3 bouts) and, although he didn't win the match, he did win junior bout of the night against one of his opponents. In June, Jake won a South East Queensland title in the Schoolboy 63kg category for 14 years olds. Jake Patrick in action in the blue uniform.

TAS

Junior TAS Sport

Term 4 Junior TAS Sport – Touch Football and Tennis

Preparation for the Junior TAS Sporting Program in Term 4 is currently underway. The sports on offer for our Years 4 to 6 students are Touch Football and Tennis. The format for the games in Junior TAS Sport for Term 4 is slightly different to previous terms.

Tennis will be played as a five week season, with dates to be confirmed shortly. Games will be played on a home and away basis, and due to the team format of play, games may last up to three hours. Students will be trialling for Junior TAS Tennis positions. Students gaining positions on the Tennis team will be experienced or competent tennis players – this is not a 'learn to play' tennis activity. If students are not successful in gaining a position on the Junior TAS Tennis team, they will be able to participate in an Intra-College Tennis program. This program involves WestMAC students playing internal fixtures against each other and learning how to play Tennis in a fun, semi-competitive environment.

Touch will be played in a carnival format on Saturday mornings over two weeks. The dates and venue details will be confirmed shortly. There will be a training clinic on Saturday 9 September at WestMAC from 1 to 3pm. All students are encouraged to attend this session. Teams will be selected on the day. Further information regarding sign-on and training details will be emailed shortly.

Junior TAS Athletics Carnival

The 2017 Junior TAS Athletics Carnival will be on Friday 8 September at QSAC, Nathan. Congratulations to all students who have made the final team. All students are to be commended for their dedication and enthusiasm throughout the term. As we really look to ramp up our preparation, students are reminded to attend as many of the remaining training sessions as possible. Details of the carnival will be emailed to parents and guardians.

T20 Blast Cricket Competition

WestMAC will be entering up to six teams into the Ipswich T20 Cricket Blast Competition on Tuesday 12 September. The round robin style competition will be held at Ivor Marsden Oval, Amberley from 9.30am to 2.30pm. There is no cost for the day. A bus will be provided for all students, however they may travel by private transport to and/or from the venue. Students in Years 3 to 6 will be able to sign-on. Spots are limited. Details regarding the T20 Blast will be emailed shortly.

Junior TAS Photos – Please Snap Away!

Have you taken some great action photos of your student playing sport this year? If so, the Sports Department would love to see them. Please forward them to either Mrs Karen Gough via kgough@wmac.com.au or myself so we can use them for next term's Sports Presentation Night. Alternatively, the best

way to pass these photos on is via USB where the photos can be copied across and your USB promptly returned.

Creative Arts and Extra Curricular Programs

Term 3 Extra-curricular Events

Tues 5 Sept	FOTA Meeting, 5.30pm Staff Common Room
Thues 14 Sept	Studio & Small Ensemble Recital No 3, MD17, 6.30pm

Jazzin' Up The Hall

Once again, our jazz musicians and dancers have delighted audiences with a fantastic night's entertainment at Jazzin' Up The Hall last Friday evening. WestMAC Big Band, Jazz Vocal and dancers from our senior classes, combined with the UQ Big Band, to play to a capacity crowd in the Lostroh Centre. The evening was a tremendous success. Thanks to Mrs Lawless for her organisation and coordination of the event; Mr Hannan, Mrs Rixon and Miss Judd, and WestMAC Friends of the Arts (FOTA) for their support and fundraising on the night.

Brightest and Best

WestMAC Chorale has been invited to participate in Brightest and Best this year at St John's Cathedral on Monday 2 October (the public holiday at the start of Term 4). This inspirational festival of sacred choral music is an initiative of the Royal Society for Church Music (RSCM) and promises to be a richly rewarding experience for participating students. The performance commences at 2.20pm in the Cathedral and tickets can be purchased via [Trybooking](#) at \$10 each.

Music Awards Showcase – Date Claimer

All Music Department bands, choirs and ensembles will perform at the annual Music Awards Showcase on Sunday 22 October. The Showcase commences at 2pm in the Lostroh Centre.

Dance Concert – Date Claimer

The annual WestMAC Dance Concert will be held at the Ipswich Civic Theatre with two performances on Saturday 28 October. Past experience indicates that this is an event not to be missed; an absolutely outstanding display of dance and choreography.

Equestrian

Further to the exciting news announced in the previous newsletter about WestMAC riders Molly Stacey and Tamsyn Breeze being selected as team captains for the National Championships, we are thrilled to learn that WestMAC Year 5 student, Siena Fisher-Peters, has been selected as Queensland's Official Junior Flag Bearer. This is a tremendous honour for Siena and we all wish her and our other riders competing at the Nationals the very best. The 2017 Marcus Oldham Australian Interschool Championships will be held at Toowoomba Showgrounds from Tuesday 26 to Friday 29 September.

Cattle Show Break-up Day

Our Ekka winning Cattle Show Team will be celebrating their 2017 successes at their annual break-up on Saturday 16 September at the Larsen's Road Farm. Students intending to attend should complete the form emailed out by Mr Elliott.

Debating

Ipswich Primary Schools' Debating Competition

The final Year 6 debate of the Interschool Primary Competition was held on Wednesday 23 August. WestMAC's 6.1 team of Elliarna Fitzgerald, Rebecca McMahon and Stephanie Smith competed against Bethany Lutheran School. In a very close result, our Year 6 team was narrowly defeated. Their sportsmanship and enthusiasm was wonderful to see. Congratulations to the team and their coach, Year 9 debater Talia Wright, on a great season.

The final Year 5 debate on 6 September at 6pm, is WestMAC against WestMAC.

Debating End of Year Celebration

An email invitation was recently sent to parents and coaches for our second annual End of Year Celebration. Students have also been asked to collect a hardcopy invitation from Mrs Donna Googe. If you have not received the link, please email dgooge@wmac.com.au

The End of Year Celebration is an opportunity to recognise the progress of our debaters and thank our coaches and supporters. The winners of the Spirit of Debating and Service to Debating awards will be announced at the awards evening. We look forward to seeing you on Monday 11 September from 6pm, in the Staff Common Room.

IMTC Juniors

IMTC Juniors presents DEAR EDWINA JUNIOR

Thirteen year-old Edwina Spoonapple would do just about anything to be a part of the Kalamazoo Advice-A-Palooza Festival. While her siblings both have proof 'up on the fridge' of their accomplishments, poor Edwina has nothing.

When a talent scout from the convention visits her hometown of Paw Paw, Michigan, she trots out her musical advice, giving shows live from the family garage in hopes of finding her place in the spotlight.

She is assisted by her older siblings and quirky friends and neighbours. Together they set out to tackle the world's problems, in number after hysterical number about everything from birthday party etiquette to the proper way to set a table.

Friday 6 October, 7.00 pm - *starring Madeline Ryall*
Saturday 7 October, 1.00 pm - *starring Madeline Ryall*
Saturday 7 October, 7.00 pm - *starring Hannah Boike*
Sunday 8 October, 1.00 pm - *starring Hannah Boike*
