## From the Principal

### WestMAC – An 'OK' Community

A range of activities across the College this week have focused on the National R U OK? Day initiative. The major event was yesterday's R U OK? Day activities around the campus. It was wonderful to witness the energy and positive interactions amongst staff and students.

While the focus of the national R U OK? Day reminds us of the importance of staying connected and having regular conversations with our friends and loved ones, the activities this week at WestMAC also highlighted the key role of our SpiritEd program. Thursday's activities were designed to focus on the SpiritEd pillars: positive emotions, engagement and relationships. It seemed apparent from my observations that the objectives for the day were indeed achieved.

In addition, this week featured a number of activities promoting staff wellbeing. Of particular note was the breakfast presentation by psychologist, James Douglas from The Long Gallery Psychologists. James provided an engaging and interesting message about how recent neuroscience research is helping us better understand the relationship between brain function and emotional response. This body of knowledge is rapidly evolving and promises to offer increasing insight into developmental psychology and our understanding of human learning.

## End of Term Holidays

I take this opportunity to wish all staff, students and families a safe, relaxing and enjoyable break over the upcoming holiday period.

I also extend best wishes and safe travels to two groups of staff and students who will be travelling internationally over the next two weeks. There is a large group of students and seven staff travelling to New Zealand on the annual Year 12 ski trip. In addition, a smaller but no less enthusiastic group, accompanied by our Languages staff members, will be travelling to Japan as part of our biennial Languages Department Study Tour. We wish both groups safe travels and look forward to their safe return.

### Presentation Night 2017

Planning is underway for this year's Presentation Nights which will once again be held in the Lostroh Centre. Having these events at our own venue means that our seating capacity is enhanced and as is tradition it is an expectation that all students attend.

Please mark onto your calendars the following dates and starting times:

Senior School Tuesday 14 November (7.00pm start)  
Middle School Tuesday 21 November (7.00pm start)  
Junior School Thursday 23 November (6.30pm start)

Tickets for these events will be available from the start of next term; initially each family will be able to collect up to two tickets for accompanying parents/guardians. Those who require additional tickets or need wheel chair access or assistance with prams are invited to contact their respective sub-schools to request further tickets or assistance.

Further information in relation to Presentation Nights will be circulated early in Term 4, so please keep an eye out for these details.

## From the Head of Senior School

### Haircuts/styles

I make reference to comments in the Student Diary with regards student haircuts/styles. In particular, you would be aware that the College has a conservative hair policy. When a student wears the College uniform in public, their personal appearance reflects upon the whole College community. For this reason, the College reserves the right to determine what it feels is an appropriate haircut/style. As a general guide coloured, streaked or extreme hairstyles are not permitted. Further, undercuts, layers and blade cuts less than a blade three are not acceptable. There should be a blending/grading between the side and the top of the hair.

For some students there can be a tendency over the school holidays to get a haircut that does not comply with College expectations. In some cases though, there is not always the time for the hair to grow back in order to meet College expectations.

Acceptable blending/grading between the side and the top of the hair.

Not acceptable blending/grading between the side and the top of the hair.

### Service Learning Hours

A reminder, that as part of the Senior School philosophy, we encourage and support our students to respond to God's calling to serve others. This is articulated in Luke 12:48 - Everyone to whom much was given, of him much will be required. Consequently, we aim to foster servant-leadership, which encourages our students to focus on the growth and wellbeing of other people and communities, including the global community, to which they belong.

It is an expectation in the Senior School that all Years 10 and 11 students complete the equivalent of 7 hours of service each semester. The September holidays provide an excellent opportunity for the students to complete the required hours, if they have not already done so.

### Senior School Presentation Night

As per the College Calendar, Senior School Presentation Night will be held on Tuesday, 14 November, 2017. This is a compulsory event for all students in the Senior School. Given this date has been on the calendar since the commencement of this year I would expect to see all Senior School students in attendance. Parents are more than welcome to attend as well, and are encouraged to do so.

### Holiday Greeting

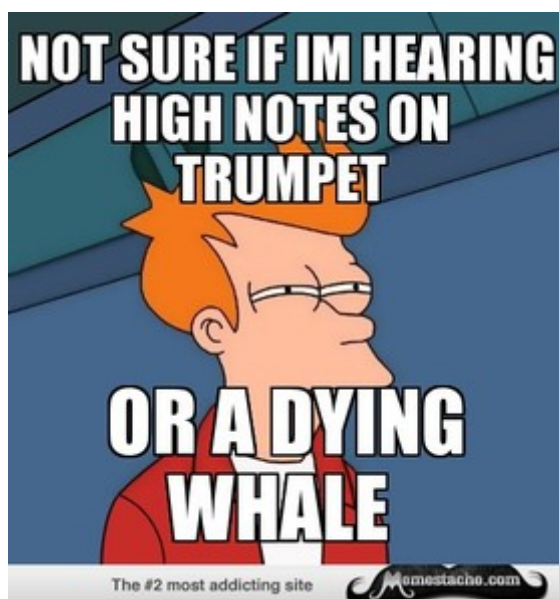

On behalf of the Senior School Pastoral Care team, I wish you and your family a safe and restful holiday period. We look forward to seeing you in Term 4.

God bless.

Students have recently been emailed information about this competition. Voice is a unique public speaking competition for students in Year 7-10, running throughout Term 4.

UN Youth Voice asks contestants to present their innovative solutions to some of the world's most prominent and pressing issues. The competition encourages initiative and sustainability, rewarding substance in speeches as well as speaking manner and structure.

Students are invited to select the issue about which they are most passionate from four provided topics. The aim is to

suggest tangible and achievable solutions to the complications surrounding their given topic. This is presented through a prepared speech, with a judges' "Question Time" component.
