Edition 4, Term 4

From the Principal

Blessings and Best Wishes

As the holidays and festive season fast approaches, I would like to extend to all members of the WestMAC community my sincere thanks for the many and varied contributions that have been made this year to all aspects of College life. At WestMAC, we all participate in the life of our community – from attendance at College events and activities in support of our students; engaging with the P&F Association and support groups at their various activities and events; right through to small groups and individual friendships where people demonstrate the value they place on one another by remembering and celebrating special occasions. Each contribution, whatever its size, is a gift to our College family.

Gift-giving has become synonymous with Christmas, a tradition which draws on the story of the three Wise Men who brought rare and precious gifts to the infant Jesus. However, I am sure I am not alone in regarding the symbolic beauty of gift-giving at Christmas as having been somewhat lost in consumerism in recent times. The poem, *Jesus is the Reason* by Joanna Fuchs, succinctly communicates the true meaning of this tradition:

Jesus Is The Reason

In Bethlehem, God gave to us
The source of Christmas joy;
A star shown on a miracle:
The virgin birth of a boy.

He was born both God and man,
A Saviour for us all,
The way to get to our heavenly home,
If we just heed His call.

So as we shop and spend and wrap
And enjoy the Christmas season,
Let's keep in mind the sacred truth:
Jesus is the reason.

Artwork: Madison Jackson (Year 1)

Amid the sometimes frenetic pace of preparations, may we all find time to remember the real reason for celebration – the birth of our Saviour, Jesus Christ, who is God's priceless gift to us. I wish all WestMAC families a happy and holy Christmas and a refreshing holiday season filled with the gifts of love, joy and peace.

SpiritED

Service to our wider community has been the focus for Years 7 and 8 this term for SpiritED. It is important to take time and give back and foster connections between WestMAC and the broader communities. Middle School students have shown this in a number of ways including; creating donation boxes for Operation Christmas Child, and card making to create cards and small gifts to donate to people less fortunate, which allows them to give cards to people they care about. Some classes have focussed on giving of their talents to make others smile. Ms Kay Bence and Mrs Michelle French have worked with a group of Year 7 students to create a variety concert and have visited Brassall Village to put on their show. The concert was met with much applause and the students returned to the College having experienced the joy of giving to others. It has been wonderful to see our students engage with the concept of service and having shared the experience of giving of their time, effort and talents to help others.

How Does It Work?

- 1) Ask reception at West Moreton Anglican College for a Local Legends Coupon!
- 2) Present the coupon at Llewellyn Motors to get your Local Legends Key Ring
- 3) Purchase a New or Used Car, Tyres, Batteries or get your car serviced at Llewellyns to donate!
- 4) Visit www.llewellynmotors.com.au/localLegends with your Invoice # and Key Ring # to make your donation!

Junior School

Junior School Presentation Night was a beautiful culmination to the 2017 school year. The Prep Nativity was delightful, our performers played, sang and danced with joy and energy and all our students were recognised for their achievement during the year.

With best wishes to you and your family for a peaceful and joyous Christmas.

Farewell

On a personal note it has been an honour to be part of the WestMAC community for the past four years as Head of Middle School. While I am moving on in 2018, I know that the Middle School will continue to flourish. May I wish our students and their families a happy and holy Christmas.

Merry Christmas

Leading up to Christmas we often wonder what to give those special people in our life; I suggest the gift of 'gratitude'. Think about the people that you love and contemplate why they matter to you. Think about the conversations, the memories, the laughter, and the tears you have shared with them. Now tell them how grateful you are having them in your life.

I take this opportunity to wish all Senior School students and their families a safe and happy holiday.

Curriculum Office

End of Semester reports

End of Semester 2 reports will be available to parents through the Parent Portal mid-next week. Parents will be advised by email when they have been uploaded. For parents who have a student leaving the College at the end of this year, please note that you will have access to the Portal for that student up to and including Wednesday 13 December, 4pm.

Year 11 QCST

Our Year 11 students have now completed their first full practice of the QCST. These papers will be marked and returned to the students, with feedback, at the beginning of next year. We are confident that our Year 11 students can fill the big shoes of our exiting Year 12 students that achieved just over 60% A and B grades on the QCST in 2017.

Merry Christmas

The Curriculum Office wishes all students and their families a very holy Christmas period.

TAS and Junior TAS Sport

As 2017 comes to a close and we can sit back and look at the sporting year, we can confidently say we have built upon previous years' achievements and set the bar higher for 2018. Thank you to all students, parents, staff and community

members who have supported our Sport Program. We wish everybody a safe and happy holiday time. The 2018 sporting year awaits with new challenges.

Term 1 2018

Information regarding training/trials for Term 1 TAS and Junior TAS Sport will be emailed before school returns. A date claimer is already in place for Saturday 27 January for all students taking part in TAS and Junior TAS Sport in Term 1, as this is our training clinic day where each team will complete a two hour training session before the Saturday competition rounds start the following week.

Western Pride FC

WestMAC has a close affiliation with Western Pride Football Club (WPFC) the representative football (soccer) club in Ipswich and Brisbane's Western Corridor. WPFC is running Skill Acquisition Program (U9 to U12) and National Premier League Program (U13 to U16) for both boys and girls in our region and we would like to call your attention on upcoming trials. The club offers limited vacancies in U12 Boys (players born in 2006), U10 Boys (players born in 2008) and U9/10 Girls (players born in 2008 and 2009) Skill Development teams.

Western Pride is the PlayStation 4 National Premier League side based in Ipswich and offers high standard coaching programs within Football Federation Australia's elite player pathway. Their teams will train on a full time basis and play competition games. WPFC coaches are actively involved in WestMAC's Football Excellence Program which will be available for students in middle and senior school.

If your child has playing experience and interested to attend at WPFC's additional trials, please provide student's full name, club in 2017, date of birth, mobile and email contact of parents

to Gabor Ganczer WPFC Technical Director

Defence

We have had a number of our parents deployed over the last two terms. Care packages, including lollies, biscuits, toiletries and crossword puzzle books, were recently sent to various locations across the globe. Different class levels that had students with a parent deployed, were involved. Your generous donations and kind thoughts have been very appreciated and welcomed by the men and women of our Defence Force. Once again a huge thank you to the parents who participated by sending in items for these packages.

I would like to personally wish the families that are leaving us a very safe and uneventful journey to your new locations, and what an absolute pleasure it has been for me to assist your children while they have been at WestMAC.

Merry Christmas and a peaceful and joyous New Year to all our families.

2018 Lions Youth of the Year Quest - Expressions of Interest

Students in Senior School have the opportunity to participate in the Quest through the Rosewood and Ipswich Lions Clubs. This is not just a public speaking competition. In fact, most of the competition is focused on your academic attainments, leadership experience, personality, sportsmanship and good citizenship. More information on the Quest can be found at <http://lionsclubs.org.au/activities/youth/yoty/about-yoty/>

Debating Coaching opportunities

We are seeking coaches for our Apex Debating Teams for 2018. Coaches meet with their teams for approximately an hour a week, at a mutually convenient time. Coaches do not write the students' speeches – they provide guidance, editing and coordinate the team's argument. If you are interested in coaching, please contact Mrs Googe at dgooge@wmac.com.au by Friday 19 January.
