Edition 3, Term 3

## Principal's Message

The first few weeks of this term have produced many outstanding student achievements and I believe it is important to acknowledge these in what is always a very hectic time of the year.

Throughout this edition you will be able to read in more detail the particulars of each activity which will include, amongst others:

- Outstanding results from the Cattle Show Team who have spent the past two weeks 'living, breathing and sleeping' at the Ekka.
- Numerous Dance Eisteddfod performances with outstanding results.
- Equestrian selection of two WestMAC students to the positions of Captain of the Queensland Pool Horse Team and Vice Captain of the Queensland Eventing Team.

I congratulate all students and staff members involved in each of these activities. The commitment and dedication required for these activities cannot be underestimated and the College is extremely proud of all those involved. This includes the invaluable support of our parents and guardians.

Three more events coming up next week are the Junior School Concert on Tuesday 22 August – always a delightful event - closely followed by Book Week Parade and Grandies Day on Thursday 24 August, along with Jazzin' Up The Hall on Friday 25 August; an evening of superb entertainment by WestMAC Big Band; Jazz Vocal, Brass Ensemble along with guests artists, the University of Queensland Big Band. An enormous amount of preparation is involved and I hope you can join the WestMAC community in supporting our students and staff at these events.

### Junior School Concert

Junior School families are reminded that our concert – *We've Got Character* will be held next Tuesday 22 August. All students in Years 1-6 have a role and are expected to attend. Families are invited to obtain tickets via <https://www.wmac.com.au/news/junior-school-concert-2017>

Friends of the Arts (FOTA) will be providing food and drink prior to the concert and also running a raffle to support the purchase of resources for our Music program.

## Car Park / Pick-up Zone

To ensure the safety of our children, parents are asked to use one of the following two options when collecting children from school:

1. Park in the carpark and walk into classrooms to collect children
2. Use the pick-up zone where staff are on duty and able to supervise children until parents arrive

I would like to take the opportunity to thank our wonderful Facilities team who have been assisting each afternoon with traffic flow in our Junior School pick-up zone. This area has become a much more efficient way for parents to collect children from school.

## Courage

This week in RAVE our exploration around the theme of courage has taken us to look at the 'wobblies' – that kind of nervous thinking that everyone uses sometimes. This is the type of feeling that makes us doubt ourselves – you could call it negative self-talk. You could say we are dipping into our own buckets. It is really important that we challenge this type of thinking so that we can make better and braver choices. When a wobbly comes into our minds we basically have two choices:

1. Let the wobbly beat us
2. Argue with it and use brave self-talk (fill our own buckets)

The Bible reading this week is the one where Jesus walks on water. It reminds me of the scene from Indiana Jones where Indi is faced with a chasm and needs to believe and take a step in faith. As he has the courage to step out in faith, the path appears before him and the way forward becomes obvious. Sometimes all it takes is the courage to take that first step.

### Queensland Core Skills Test (QCST) - Year 12

Year 12 students will sit the QCST on Tuesday 29 and Wednesday 30 September. The QCST is used to scale the in-school results for OP students. Students have been provided with the 'Instructions to Students' information containing the equipment list. I encourage students to continue to prepare for the testing by completing as many past questions as possible. Year 12 students not sitting the QCST are welcome to attend Study Hall in SA20 on each day of the test.

### Exam Block - Years 11 and 12

Exam Block for Term 3 is in its final stages of scheduling and should be available to students late next week. Year 11 Exam Block commences on Thursday 31 August whilst the Year 12 Exam Block will begin on Friday 1 September. Classes for both year levels recommence on Thursday 7 September.

### NAPLAN - Years 3, 5, 7 and 9

Individual NAPLAN results for students will arrive at the College shortly. These will be posted to parents in the coming weeks.

### Subject Selection Process - Years 7, 9, 10 and 11 (in 2018)

Students who selected subjects for study in 2018 will soon receive advice if they have been successful in gaining entry into their chosen subjects. This will allow parents and students time to complete stationery lists for 2018 once these become available.

## Careers

Students and Parents of students considering post school options in education. Please read the below:

The [Queensland Tertiary Admissions Centre](#) dates for study preferences for 2018 are looming. You may not know however that the [Australian Catholic University \(ACU\) National School of Education](#) (in the Faculty of Education and Arts) is the largest tertiary educator of teachers in Australia, with 7 campuses spread across 3 states (Queensland, New South Wales and Victoria) and the Australian Capital Territory. We also have campuses in Rome and New York and offer students an opportunity to study part of their course overseas at these exciting destinations.

We graduate job-ready, quality teachers for all sectors (early childhood, primary and secondary) and all systems (State, Catholic and Independent) and during their program our students can acquire the necessary accreditation to teach religious education in Catholic, Lutheran and Anglican schools across Australia. In fact students come to us to study these religious education specialisations from all other Queensland (Qld) universities.

Our current 4 year primary pre-service program is unique among Qld universities as our students will graduate with a specialisation in literacy or numeracy or inclusion/diversity and we are currently developing other specialisations to ensure our primary graduates have a depth of knowledge in at least one significant content area aligned with the needs of primary schools and students.

Students can also study a Bachelor of Education (Primary and Early Childhood) that incorporates both Primary and Early Childhood in the one program to make them doubly attractive to schools. Our secondary students can major in any Australian Key Learning Area and we also have unique double degrees such as the Bachelor of Teaching/Bachelor of Arts; Bachelor of Teaching/Bachelor of Exercise Science; Bachelor of Teaching/Bachelor of Science.

So that we can show you how wonderful it is to study education with ACU, we have compiled a series of short video clips that tell the story of what it's like to be an ACU education student; especially for those students who have not been able to attend one of our Open Days or Information Sessions in 2017.

## Dance

WestMAC dancers recently competed at the Quota International Beenleigh Eisteddfod. The High School Dance Groups sections were quite large with so many competitors entered this year that the schools competition was spread over three full days. Our day of competition lasted 13 long hours, and our students competed brilliantly with every WestMAC routine being awarded a placing or a prize; a first for WestMAC Dance.

## Music

In a similar vein, four of our smaller music ensembles performed at the Silkstone Eisteddfod last week. Results again confirmed the dominance of local eisteddfods by WestMAC musicians:

- Brass Ensemble: Gold Award
- Flute Choir: Silver Award
- Flute Quartet: Gold Award
- Cello Consort: Silver Award

Well done to our musicians and their teachers, Mrs Lawless, Mrs Rixon and Mr Hall.

Performance Band delighted students in Kindy, Prep and Years 2 and 3 at our annual Cushion Concert last Tuesday in the Middle School Open Learning Area. Members of Performance Band and Symphonic Band are looking forward to the band camp at the start of Term 4 to put the final polish on their preparations for the Prestige Music Fest in October.

The Music Department has been advised that applications are now open for the Young Conservatorium (Young Con) 2018. The Young Con offers a range of ensembles and programs to suit all ages and gives students access to the skills, expertise and excellence of the Queensland Conservatorium, Griffith University. For more information, visit <https://www.griffith.edu.au/music/open-conservatorium/young-conservatorium>

## Equestrian

Following the news last newsletter that four of our riders have qualified to compete at the National Championships in Toowoomba this September, we have been advised that two of those riders have been selected by Interschool Equestrian Queensland for leadership positions in the Queensland team:

**Molly Stacey:** Vice Captain of the Queensland Eventing Team  
**Tamsyn Breeze:** Captain of the Queensland Pool Horse Team

Congratulations to both girls on being selected. This clearly indicates the confidence that the team organisers have in their expertise and outstanding leadership qualities.

## Health Centre

Just a reminder to spread fun, not the flu! With the winter season and illnesses in full swing, it is a timely reminder to reinforce good hand hygiene and cough etiquette with your children. Anyone with symptoms (such as coughs, sore throat, fever, congestion, aches, pains and headaches) should remain at home until they are well again. It's never too late to vaccinate so if you haven't already, you may wish to consider having yourself and your family immunised against flu as added protection.
