Edition 5, Term 1 2018

The Significance of Easter

Over the coming days, we will have the opportunity to walk with Jesus through Holy Week. This is a time to reflect on Christ's great sacrifice and remember His suffering for our sake on Good Friday. After this comes a time of great joy and celebration as we rejoice in the Risen Lord on Easter Day and remember that we serve a Living God who dwelt among us and understands us and loves us.

I extend a very warm invitation to all members of the WestMAC family to join with us at our two Worship Services: Good Friday (30 March at 9.30am) and Easter Sunday (1 April at 6.30am), in the Chapel of the Good Shepherd. Children, family members, neighbours and friends are all very welcome. Please stay and share morning tea with us afterward.

China Study Tour

Best wishes to the staff and students as they set off on our biennial China Study Tour on Good Friday. Aply led by Miss Bence and Ms Judd, a total of 18 Chinese language students from Years 9 and 10 will experience the wonders of Shanghai, Hangzhou and Beijing over the 10-day trip. During this time, staff and students will be involved in a range of cultural and educational experiences focused on developing their language skills, cultural knowledge and understanding. A highlight of this tour is our students' first visit to a new partner school, Hangzhou Greentown Junior School, which includes a two night homestay experience. Building new relationships and enhancing learning opportunities for our students is the cornerstone of each and every Languages study tour, be it to Japan or China.

Thank you for your support

As we come to the end of Term 1, I would like to thank all members of the WestMAC family for the many and varied contributions that together have made for a great start to the year.

Apart from acknowledging the many wonderful achievements by our students, I am grateful to everyone who has played his or her part in providing our young people with the many opportunities they have available to them. I would like to extend particular thanks to our staff for their significant and valuable contributions during the Term.

I trust that everyone will have the chance to rest and rejuvenate over the Easter break. I look forward to working with you all again in Term 2.

Term 2 Commencement Arrangements

All teaching and non-teaching staff will be involved in a professional learning day on Monday 16 April.

Term 2 classes for all students commence on Tuesday 17 April.

ANZAC Services

This year the College will commemorate the Spirit of the ANZAC through two separate events.

- **Wednesday 25 April** – WestMAC participation in the annual Ipswich City Council Parade and Public Commemoration Service. Formal invitations to participate in the Parade and Service have been extended to our Student Leaders, Defence families, College staff and students in Years 5, 7 and 10. This

will ensure that WestMAC has a strong representation befitting of the honour due to our fallen ANZACs. We would also love to see WestMAC families supporting this significant event by lining the route and cheering on the passing Parade which steps off at 10.45am from the corner of Ellenborough and Brisbane Streets and heads down Brisbane Street, East Street, Pine Street, over the David Trumpy Bridge and The Terrace to enter the North Ipswich Reserve. The Commemoration Service will commence at 11.30am at the North Ipswich Reserve and conclude at approximately 12pm.

- **Thursday 26 April – Whole School ANZAC Service**

I extend to all members of the College community, our parents and friends, a very warm invitation to join us for this special whole College Commemoration Service which will commence at 11am in the Lostroh Centre. Light refreshments will be served following the Service's conclusion at 12pm. For seating and catering purposes, parents wishing to join us are asked to RSVP by contacting Susan Baills via email sbaills@wmac.com.au or telephone 3813 4548. Defence families have received information from Defence Transition Mentor, Jenny Sheehan, and are asked to RSVP to her via email jshieehan@wmac.com.au or telephone 3813 4508.

Photographs

MSP Photography will be taking:

- Middle School and Year 4 classes photographs on Tuesday 1 May
- Senior School photographs on Wednesday 2 May
- Junior School (except Year 4) class photographs on Thursday 3 May.

All students will need to be in full College uniform; this includes blazers and ties for Years 7 to 12 and the College badge on girl's ties Years 1 to 12. To ensure smooth running on the day, please note that all orders are pre-paid.

Completed order envelopes should be handed in to the sub-school receptions by:

- Friday 27 April for Middle School
- Monday 30 April for Senior School
- Tuesday 1 May for Junior School.

Payment envelopes not returned by the due date will need to be handed to photo staff on the day.

PLEASE NOTE: Individual photographs will be taken of every student for College purposes. However, there is no obligation to purchase this photograph.

When ordering please read the relevant information on the MSP Photography envelopes and remember these helpful points:

1. Check the student details printed on the envelope are correct for your child and that you have one envelope for each child at the College.
2. MPS Photography accepts cash or credit card payments only. You may pay by cash via the envelope (please enclose correct payment as change cannot be given) or for credit card payment place your order online using your child's individual 'Shoot Key' listed on their envelope.
3. If you have two or more children attending the College you may include the payment in one envelope but please note clearly on the outside of all envelopes that you have paid in one envelope.
4. Each student is to return their individual envelope to their subschool reception. Do not seal order envelopes inside each other.

Siblings Photographs will be available at the College this year. These are by appointment only. To book a time for your family's sibling photo contact MSP Photography on telephone 3848 3946. The steps to order are the same as those indicated above. However, a different order envelope is required. These envelopes are available from each of the sub-school receptions, as well as Main Reception. Sibling photographs will be taken on each of the three photo days at the Lostroh Centre from 7.45 until 8.20am. Families wishing to have a sibling photo are encouraged to book their appointment on the photo day of the eldest child's class photograph.

If for any reason you are not satisfied with the photos taken of your child contact MSP within 14 days of receiving your photos for a full refund. Late orders can be organised directly with MSP, any orders placed after photo day will incur a \$20 surcharge.

If you have any questions please feel free to telephone MSP Photography on 3848 3946.

Holy Week and Easter@WestMAC

Last Sunday, Rev'd Brenda organised the most amazing Messy Church for Palm Sunday. It was so much fun, with lots to see, do and listen to. It also gave us a great insight into what it might have been to be with Jesus, as he entered Jerusalem, hailed as the Chosen One of God, but we know how quickly the mood changed.

On Friday 30 March (tomorrow) we will have a Good Friday service at 9.30am. This will be a family-friendly event and is open to everyone. Hot cross buns will be served afterward.

On Sunday 1 April representatives from St Paul's Ipswich, All Saint's Booval and St Thomas' North Ipswich will join us at the WestMAC Chapel for The Service of Light, at 6.30am, where the Easter Fire is lit and the Pascal (Easter) Candles are blessed. The parish representatives will then carry the Easter Light back to their churches for their own services. We will continue with our Easter Eucharist, including the renewal of Baptism vows and finish with morning tea (and coffee) worthy of the Resurrection. Come and share the celebration with us!

World's Greatest Shave

Yes! It is accomplished. I want to take this opportunity to thank everyone who made it possible. I had so much help and support. It really was a massive undertaking and I can't begin to name all the people who went over and above in getting the day together. I feel incredibly blessed to have had a super abundance of incredible people who got us to the appointed time with staffing taken care off, furniture moved and organised, risk assessments completed, sausages sizzled, hair cut, coloured or shaved etc...etc. It was so moving and exciting to see the way the community came together for a wonderful cause.

I think we're very close, if not at, our original goal of \$10,000 but more will come in as we sell raffle tickets for our framed and signed Reds jersey. Watch this space for more info.

Finally, I want to thank everyone for the beautiful, warm welcome I've received. Term 1 has been a huge learning curve and I can't see it becoming any less steep for a while yet, but I feel truly blessed and more sure than ever that I'm exactly where I'm supposed to be.

I pray the next couple of weeks will be a time of rest and relaxation for you and, if it's important to you, that the celebration of the Resurrection of Christ will bring you great joy and peace.

My love to you and yours, every blessing

Adopting a Growth Mindset

Put simply a growth mindset is the belief that intelligence can be developed. At WestMAC we encourage our students to adopt a growth mindset because this will assist them to understand they can increase their ability in a subject through hard work, the use of effective strategies, and by seeking help from others when needed. Someone who has a fixed mindset believes intelligence is a fixed trait that is set in stone at birth.

Students' beliefs about intelligence have important consequences for how they experience school and respond to adversity. A student who has a fixed mindset can find school threatening because they are worried about proving their ability. This can lead to the student avoiding challenges and giving up too soon. On the other hand, a student with a growth mindset can see school as an opportunity for growth and embraces challenges in order to develop mastery.

Daily interactions parents and teachers have with students can create a mindset which can either support or undermine resilience. A simple strategy adults can use is praising the process students have undertaken as opposed to their ability or the final outcome. For example: "You are good at Maths; you got an A on your last test" very much focuses on the ability of the student. Alternatively, "You really studied for your Maths test and your improvement shows it" praises the process, develops a growth mindset and promotes resilience.

As you read your son or daughter's Term 1 Report, we encourage you to be mindful of the effort and process your young person/people have put in this Term; and offer praise accordingly.

RACQ Docudrama

This week saw the Year 12 students participate in the RACQ Docudrama Program; a road safety awareness initiative aimed at educating senior students about the potential risks in a vehicle as both a driver and a passenger. Three of our students (Grace McQueen, Patrick Bischoff and Zane Emblen-Reeves) were actors in a mock crash scenario where there was a fatality. After the docudrama finished the students were engaged in two debrief sessions where road safety awareness was discussed.

Easter Blessings

From the Senior School Leadership Team, have a restful holiday break. May you be surrounded by happiness and kindness. Take time to nurture your spirit and soul, and reconnect with someone that inspires you, empowers you and most importantly loves you unconditionally. God bless.

Middle School

As the Middle School comes to the end of a very busy term, our expectation is that students end the way they started, by focusing on the importance of establishing and maintaining positive relationships. Importantly, this focus shouldn't be seen as simply a reflection of influential people in their lives, but also an opportunity for each student to examine their own values, attitudes and beliefs.

In the Positive Relationships incursion this week, students were encouraged (and often challenged) to move beyond their comfort zone in examining their own identity and relationships across multiple contexts. Mr Brett Lee, an ex-police detective in child safety and an internet and cyber safety expert, provided a very honest account of digital footprints and the impact of social media on student's profiles and relationships. Additionally, students engaged in various workshops, including exploring emotional and physical control, and strategies to maintain their health and emotional wellbeing. Equally important, workshops catered for faith and physical exercise, each playing a vital part in a balanced and positive self. At the end of the day, each student participated in a reflection, developed an action plan highlighting not only information learnt from the day, but also a document that they will open at a later date to reflect their success of maintaining positivity in their life.

It is my hope that although the incursion is only one day in length, the lessons learnt will help build a positive environment for the Middle School across the years. In partnership with you, I hope that this day provides opportunities for your family and friends to discuss the importance of self-reflection and developing positive strategies in our busy everyday lives.

I encourage you to attend Brett's parent presentation on Wednesday 9 May. Further information regarding the time and venue will be provided early next term. This will be an excellent opportunity for you to engage in up-to-date information

regarding cyber safety and engaging in strategies to ensure positive online behaviour. Further details can be found at <https://www.internetsafeeducation.com/>

Finally, I wish you a safe, peaceful and happy Easter Break. I have very much enjoyed my first term at WestMAC and look forward to welcoming back the students in Term 2.

Managing Screen Time over the holidays

As we approach the holidays, I wanted to include a useful resource from Brett in regards to managing screen time. More specifically: video games. The gaming industry is changing rapidly. And it's no longer just violent content that's concerning. As online multiplayer and chat functionality is becoming the new norm in modern games, it's impossible to know who you're playing with, or what they might be saying over the internet.

Brett has put together a downloadable handbook for parents, caregivers and teachers alike. It covers new business models, gaming addiction, online multiplayer concerns and more. Please visit the following link via: <https://www.internetsafeeducation.com/wp-content/uploads/2018/03/Gaming-Handbook.pdf>

Junior School

There have been many highlights during Term 1 for the Junior School and the Prep Bunny Hop was a delightful way to end the term. Our Prep students looked stunning in their beautifully decorated Easter hats and they loved inviting their family and friends to join them to Bunny Hop around the OLA and then share morning tea in the Prep classrooms.

Easter is special at so many levels. For Christians it is one of the most important foundations of our faith as we celebrate the resurrection of Jesus. It is a time to remember the sacrifice that Jesus made for us all and to share God's message of happiness, peace and love for everyone. It has also become a day when family and friends come together and special treats are shared.

May you feel the bright, joyful blessings God has to offer you during this Easter holiday.

SEQ Futsal Championships

During Term 1 a select group of students represented the College at the South East Queensland Futsal Championships.

Stage 1 was held in Week 6, with the U16 Girls competing at Mt Gravatt and five male teams playing at the Oxley Futsal Centre. On arguably the hottest day all term, the skills on show by all teams was outstanding, with many hard-fought contests going right down to the last minutes. Of the six teams to compete, the Girls U16, Boys U13 and Boys U15 progressed through to the knockout stage, with our remaining teams just missing out based on points or goal difference.

The knockout stage was held in Week 8 across three venues. This round saw all of the top two place getters of each of the eight Round 1 competition days come together to compete. The competition was red hot as teams from the Gold Coast, Brisbane and Sunshine Coast vied to be crowned SEQ Champions. Our U14 Girls came up against last year's champions, Brigidine College and following a tense battle the game ended in a draw. Unfortunately Brigidine were ranked higher, which meant the girls' day was over prematurely. On a positive note, the majority of the U16 Girls team were aged 15 or under which bodes well for the future.

The U13 Boys came up against Robina in the first game and finished 3 – 2 to progress to the second round, but then lost to a well drilled Kimberly College.

Finally, the U15 Boys came from a 3 goal deficit in the first game to record a thrilling victory in the final seconds. The boys

then progressed past their next opponent in convincing fashion before being beaten in the Quarter Final round. Fortunately the boys have progressed to the Champion of Champions Round to be held in Term 3.

Congratulations to all students who represented WestMAC with such distinction. Also, thank you to my assistants Miss Sigourney Thompson, Mr Tyson Schneider and Mr Mitchell Biggs, as well as the parents who were fantastic chauffeurs and supporters.

The championships are also used as a selection process for representative honours. Congratulations to the following students who have been invited to train for Queensland teams:

Junior TAS Swimming Carnival

Congratulations to all team members who recently attended the Junior TAS Swimming Carnival at Chandler. It was fantastic to see a large number of students swim personal best times on the day. Special congratulations must go to Ethan Ramsay who broke the 11 Years Boys 50m Butterfly Record. Well done to our Swimming Captains, Ethan Ramsay and Charlotte McDowell, who led the team with pride and enthusiasm.

I would like to thank our College Swim Coach, Mr Heath Ramsay, Mrs Fiona Stephen, Mr Paul Alcorn and Mrs Terry McGuire for all their hard work. Congratulations must go to the entire Swimming Squad for a great season.

Junior TAS - Hockey and Cricket

After an entertaining seven-week season, the Junior TAS Cricket and Hockey season concluded last weekend. The improvement of all our players was evident and they represented themselves, their families and their school with pride. Players are to be congratulated for their respectful attitudes to umpires, coaches and opposition players throughout the season.

Special congratulations must go to the Year 4 Red, Year 6 Red and Year 6 Navy Hockey teams who finished the regular season undefeated. The Year 4 Navy and Year 5 teams deserve noticeable mention, only losing one game each for the entire season. This is testament to our wonderful Hockey program.

Term 2 Junior TAS – Rugby and Netball

Nominations have now closed for the Term 2 season, which kicks off on Saturday 28 April. Rugby training will continue to take place on Monday afternoons from 3.15 to 4.30pm and Netball will be held Tuesday mornings from 7 to 8am. A draw will be sent out once it becomes available.

Junior TAS Cross Country Squad – Holiday training on!

It has been pleasing to see large numbers at Junior TAS Cross Country training this term. All students in Years 3 to 6 are invited to attend training. It would be particularly advantageous to have our entire squad at training. Term 2 training will be offered three times per week on Monday, Wednesday and Friday mornings from 7.15 to 8am.

With Zone Cross Country Trials in Week 3, District trials in Week 4 and the Junior TAS Cross Country Carnival in Week 6, it is imperative that students don't undo all the hard work over the Easter holiday period. For this reason, there will be optional holiday training on the following days at Larsens Road Playing Fields:

	Monday	Wednesday	Friday	Location
Holidays – Week 1		Wednesday 4 April 7.15 to 8am	Friday 6 April 7.15 to 8am	Larsens Road
Holidays – Week 2	Monday 9 April 7.15 to 8am	Wednesday 11 April 7.15 to 8am	Friday 13 April 7.15 to 8am	Larsens Road

TAS Trimester 1

WestMAC has finished Trimester 1 Sport with winning the title of Champion Cricket School in the TAS competition. This is a massive achievement and a first for the College. Congratulations to our Cricket Coordinator, Mr Robert Hillier and all the coaches and students who have contributed to this success. Well done to our Intermediate Thirds, Senior Thirds and Senior Seconds Cricket teams on their Premiership success. Our Intermediate Firsts Cricket team were unlucky to go down in the Premiership Playoff to Canterbury College.

Our Supplementary TAS Girls Basketball team also went down to Canterbury in the Premiership Playoff for their competition. A massive thank you to the Coordinators of TAS Girls Basketball, Mr Warren Butler; TAS Boys Volleyball, Miss Bridgid Brosnan; and Miss Meegan Parkes and Mrs Louise Sullivan for overseeing TAS Girls Tennis. Well done to all teams and coaches across all Trimester 1 Sports for a great season.

TAS Trimester 2

Our Trimester 2 TAS teams are hard at work preparing for their upcoming seasons. We still have spaces available for students to participate in TAS Boys Tennis in Years 7 and 8, 10 to 12; TAS Girls Hockey Years 8 and 10 to 12; and all TAS Boys Rugby teams. We especially need numbers for our Year 9 Boys Rugby team.

A training timetable outlining the sessions taking place in Term 2 will be sent out during the holidays. Please note that we will be having our TAS Training Clinic for final team selections on Saturday 21 April. All players committing to Trimester 2 TAS sporting teams are expected to attend this session. Due to the Senior Formal being held on this date, the Senior Firsts and Seconds teams will have an alternate training schedule sent to them, and will not be expected to attend on this date. The schedule is as follows:

- TAS Boys Tennis - 8 to 11am, this will be held offsite at Ipswich Tennis Centre at Tivoli
- TAS Boys Rugby - 8 to 11am, Upper Junior and Main Ovals at WestMAC
- TAS Girls Netball Years 7 and 8 - 8 to 10am, and Year 9 and 10 - 10am to midday, Lostroh Centre.
- TAS Girls Hockey - 8 to 10am, Larsens Road Hockey fields.

TAS Swimming Carnival

The TAS Swimming Carnival was held on Thursday 15 March at the Sleeman Aquatic Centre. All WestMAC Swimmers performed incredibly well with many recording season best or personal best times. Well done to:

- 16 Years Girls and 13 Years Boys who won their age group championship
- our top three age group finishes including the 12 Years Girls - 3rd, 12 Years Boys - 2nd, 13 Years Girls - 3rd, and 14 Years Boys - 2nd
- Hannah Wheelhouse who was named 16 Years Girls Age Champion
- Other students who finished in top three placings in Age Championship rankings including Bryce Joiner 12 Years Boys - 2nd, Amy Matthews 14 Years Girls - 3rd, Zachary Presneill 14 Years Boys - 3rd, Reece Venzke 15 Years Boys - 3rd, and Jordan Lane 16 Years Boys - 3rd
- All Boys and Girls teams who were ranked 3rd overall, with our total Combined Championship position of 4th, only 6.5 points behind 3rd and 66 points behind 1st.

I would like to thank Mr Heath Ramsay for his work with the team both leading up to the carnival and on the day and Mr Lyle Radford for his tireless work as the WestMAC photographer at all TAS events. Thank you as well to Mr Paul Alcorn for his assistance at the Carnival, training sessions and all lead-up events.

TAS Cross Country

Cross Country team details have been sent to those students who placed in the first 10 finishers of the Cross Country carnival for their respective age group. If students were absent and/or would like to challenge for a spot in the TAS Cross Country team or be selected to run at Western District Ranges Representative Cross Country carnival, they must attend training at the beginning of Term 2. By being a part of the TAS Cross Country team, students should be aware that the College may place students out of their own age group to ensure that WestMAC has the strongest team possible for the TAS Cross Country Carnival.

Music

On Sunday 25 March the WestMAC Chorale had their first joint rehearsal with the massed choirs in preparation for the annual Proms at St Paul's concert scheduled for Friday 20 April. The massed choir sang through the two Verdi choruses from Aida and Nabucco, as well as Jerusalem. They are looking forward to joining forces with the Excelsior Band Brisbane after Easter. Proms 2018 is shaping up as a thrilling musical spectacle, featuring the finale to the Organ Symphony of Saint Saëns, made famous by its inclusion in the movie 'Babe'. Tickets are on sale now and can be purchased through TryBooking at <https://www.trybooking.com/book/event?eid=357318&>

UQ Earth and Environment Day - register now

UQ Earth and Environment Day held on Friday 20 July, is an opportunity for students in Years 10 to 12 to experience the applications and relevance of geography, planning, earth sciences and environmental management.

This full day, on-campus experience provides careers sessions hosted by UQ graduates, interactive workshops exploring environmental and earth science themes, a tour of the St Lucia campus, and networking with other students. [Discover more here](#)

Griffith Parent and Student Advice Nights

- Tuesday 22 May, Nathan campus
- Thursday 24 May, Gold Coast campus

If you're a Year 9, 10 or 11 student, Griffith's Parent and Student Advice Nights will help answer your questions about the change from the OP to ATAR system, how to choose senior school subjects, and how to decide on the right university degree. You can also talk to academic staff and expert study advisers, take a campus tour and get the right advice and information you need on what to expect on your journey to university.

Register to attend at griffith.edu.au/advice-nights

Experience University STEM courses

Applications close Monday 16 April 2018 for Year 11 students

Griffith Sciences offers Griffith University Early Start to Tertiary Studies (GUESTS) At-School courses — university equivalent subjects for high achieving high school students to complete in parallel to their Year 11 and 12 science subjects.

The courses are free and online, and can be done in the classroom under the guidance of a nominated teacher at the school.

Students that complete and pass Stage 1 (in Year 11) will be invited to complete Stage 2 (in Year 12). Students that pass both stages will receive a certificate of completion and credit for an equivalent first year undergraduate course at Griffith University.

Courses currently available are Griffith Chem and Griffith Phys, with Griffith Maths and Griffith Info Tech soon to be added.

Applications are currently open for Year 11 intakes (closing on Monday 16 April for Monday 30 April start date).

Host an International student

Do you enjoy:

- learning about new cultures?
- sharing the Australian way of life?
- serving the community?
- being with young people?
- being a part of the school community?

If you said yes to one, some or all of these questions then hosting an international student in our homestay program is for you.

Be rewarded in so many ways – new friendships, new cultures and new languages. Support youth from around the world and experience the excitement of seeing young people achieve their dreams.

You will be reimbursed for your goodwill with a monthly payment of \$40 per night per student.
