By the time you read this, I will have been to see the lovely Meg, who assisted with cutting our students' hair at the shave. I should be less grey and may even have ever such a slight "style". All our World's Greatest Shave activities are almost

at an end, with the Reds' Jersey Raffle coming to a close in the next day or two. We'll publish the winner soon. Thank you once again for your support of the Leukaemia Foundation. They serve an incredible need in our community and we, as a College, should be proud of the way in which we've been able to contribute to that work.

Last time, I mentioned that we'd be holding Worship@WestMAC at Cormorant Bay. That has happened and it was a truly memorable occasion. We held a short, simple service on the grass, under a perfect climbing tree and shared a picnic and various outdoors activities together. The climbing tree was very popular. As you might expect, there were bubble prayers which every member of the community took part in. I felt so blessed to be part of this large, happy family gathering. I may live on my own but this community ensured that I'm not alone. I think a worshipping community should have this inclusive, family aspect to it, as well as reaching out to others in the wider area and sharing the love of God with all whom we meet. It really is a place where "Everyone belongs."

This Sunday just gone we celebrated the Feast of Pentecost, often regarded as the birth of the Jesus Movement. We celebrated in style with Reverend Brenda leading us in an array of exciting activities for Messy Church. We were also lucky enough to celebrate the Baptism of Pearl, one our Kindy Students. Esther, her big sister, is in Year 6 and Mum, Lucy, is a WestMAC Alumni. It was a joyful service, with a beautiful

atmosphere and some lovely interactions.

Next week we'll be celebrating National Reconciliation Week in each of our chapel services. The theme is "Don't Keep History A Mystery!" Mrs Phyllis Marsh, our Indigenous Liaison Officer, will be working with our Chapel Captains and Senior Cultural Attaché to help us produce some meaningful, educational and inspirational liturgies to help us rejoice in our cultural history and move forward in understanding to heal wounds and encourage new and respectful relationships.

At the beginning of next month, the Rector of St Paul's, Ipswich, Reverend Steve McMahon, will be helping to facilitate a day retreat for members of the ELT and School Council. We've put quite some energy into it and I think it will be a special and inspiring day, in which relationships should grow and our sense of mission will be strengthened.

## Student Protection – Cyber Safety

A couple of weeks ago the College invited Brett Lee, from Internet Education and Safety Services, to address the staff, followed by an evening workshop for parents. Brett spent 5 years working as an undercover investigator in the online world, so is a leading expert in cyber safety. As we know, technology is now an essential part of our children's lives and can provide many positive experiences for families. Children are starting to use technology at a younger age. More and more children have 24/7 access to technology. Without parental involvement, children are left to self-regulate in a world that is not moderated. Brett offered some invaluable advice to both the staff and parents who attended his workshops. For more information visit the Internet Education and Safety Services website <https://www.internetsafeeducation.com/>.

In addition, if you haven't already done so, we recommend you complete the series of online courses Brett has developed for parents. This was an initiative of the Anglican Schools Commission and is accessible via <http://cybersafe.ascqld.org.au/>, and the login password is westmac. There is no cost to WestMAC parents to complete these courses.

Another useful Anglican Schools Commission cyber safety resource is, the Cyber Safety and Digital Wellbeing website, <https://www.anglicancsaw.org/>.

Keeping young people safe online is the responsibility of the adults in their world.

## Dance

On Thursday 3 May, Dance Company and Dance Troupe competed at the Combined Teachers' Dance Festival. The dance teams came away with wonderful results (see below) in some quite large sections of competitors, and truly did WestMAC proud as ambassadors for the College. WestMAC consistently work together as a team at these performance events despite feeling nervous, and perhaps not being 100% confident in their dance routines yet. They also show fantastic sportsmanship to other teams and maintain a very positive frame of mind within such a competitive environment.

Huge thanks are due to the wonderful staff who helped backstage: Mrs Cahill, Mrs Gibb, Mrs Strohen and Ms Morris and, of course, to Miss Judd who inspires our students to amazing heights of excellence.

## Results:

- 1st - Dance Troupe Musical Theatre "High School Musical"
- 1st - Dance Troupe Lyrical "Hallelujah"
- 1st - Dance Company Musical Theatre "Newsies"
- 1st - Dance Company "Hip Hop "Freedom"
- 2nd - Dance Company Girls Hip Hop
- 2nd - Years 11 and 12 Classes Lyrical "Grandma's Hands"
- 3rd - Dance Troupe Hip Hop "Harry Potter"
- 3rd - Dance Company Contemporary "Light of the Seven"
- 3rd - Years 11 and 12 Class Musical Theatre "The Greatest Showman"

Dance Company Boys Hip Hop did not place; however, I think it's the best boys team we have ever had, as their performance was extremely well-rehearsed, which is a testament to how hard they worked to choreograph, teach and rehearse it by themselves!

On Friday 18 May, Dance Company competed at the Brisbane Dance Eisteddfod. It was a massive day with sections of up to 38 competitors!

Our dancers did extremely well to achieve the following results:

- 2nd place "Newsies" Musical Theatre (25 competitors)
- 3rd place "Grandma's Hands" Lyrical (24 competitors)
- 10th place "Freedom" Hip Hop (32 competitors)

## Equestrian

On the long weekend of 5-7 May, our intrepid Equestrian Team competed at the Interschool QLD Regional Championships at Beaudesert.

WestMAC won overall Reserve Champion highest point scoring school. WestMAC Showman team (Asha Crane-Winters, Emily Davis and Sarah Stewart) also won Reserve Champion. Three of our riders won individual championships or reserve championships:

- Siena Fisher-Peters competed in the primary events and was Champion in the 80cm combined training and both the 60cm and 80cm show jumping and was Reserve Champion in the preliminary dressage, the 45cm working hunter and the 4 phase Showman.

- Freya Domrow was Champion in the secondary senior novice dressage and Reserve Champion secondary 60cm combined training.
- Asha Crane-Winters was Reserve Champion in the secondary 45cm four-phase Showman.

Our Equestrian Team continues to represent the College with distinction, grace and poise. Well done to all riders.

## Music

On Saturday 12 May, Big Band performed at the Marburg Show earning rapturous applause from the audience and the gratitude of the show organisers. Well done to Mr Hannan and the musicians in Big Band.

On Friday 18 May, 20 of WestMAC's finest student musicians participated in the 3rd biennial Anglican Schools Music Festival. They spent the entire day rehearsing with 300 other students from 14 other Qld Anglican schools in a program of works for choir, string orchestra and symphonic band under the direction of specialist conductors. The day culminated in a concert on the stage of the Concert Hall of the Queensland Performing Arts Centre (QPAC) featuring a massive combined finale specially commissioned for the festival composed and conducted by internationally renowned Australian composer, Sean O'Boyle. It

was a magnificent event that will live in the memories of the students for years to come.

## Cattle Show Team

On 12 May, our Cattle Show Team had its first taste of competition for 2018 at the Marburg Show. The students performed with their customary professionalism and discipline. Thanks to Ms Edwards, Mr Elliott and the parents who assisted with catering.

## Apex Debating

Six teams competed across the three sections of the Apex Debating competition on Monday evening. Congratulations to all students competed on the time and effort they put into their preparation.

Four teams will now progress to the semi-finals in week 8. Well done to those teams and their coaches.

## Ipswich Primary Schools' Debating Competition

The second round of the interschool primary debating competition was held on Wednesday evening. This year, we are hosting five other schools for this competition, The focus is on developing students' confidence and skills in a friendly and supportive environment.

We would like to thank FOTA for providing a sausage sizzle at the debates, and the volunteer adjudicators who have made this competition possible.

## Effective learning strategies

Each week our Japanese and Chinese language students in Years 7 to 12 are sent emails with links to vocabulary revision work set on Education Perfect.

Revision of vocabulary is an essential part of language learning cycle because each lesson we build on what was taught/learned in the previous lesson. Education Perfect provides an interactive and engaging way to consolidate vocabulary learned and includes opportunities to improve recognition of characters, listening and speaking.

Students should be accessing their set lists two to three times each week for approximately 10 to 15 minutes at a sitting to gain maximum benefit.

For some students computer based learning is not their preferred method and they develop their own but for the majority of students, the proof of its effectiveness is in the positive correlation between completion of Education Perfect tasks, student participation in classroom activities and improving results.

## Library Blurbs

The first half of term has been a busy one in the WestMAC libraries! Term 2 has seen the arrival of two brand new staff members, the new head of library services Ms Tehani Croft, and library technician Mrs Evelyn Neilson. Ms Croft and Mrs Neilson join Mrs Kate Govier and Ms Kym Brinkley in the library team, staffing the Claridge Centre and Junior School libraries each day, and are looking forward to getting to know the staff and students of the West Moreton Anglican College community.

Already this term, the libraries have commemorated ANZAC Day, had some fun with Star Wars Day (May the Fourth), and celebrated Library and Information Week, including Library Technician's Day on May 22 and National Simultaneous Storytime on May 23. We were very proud to present our traditional NSS video to share with the students, this year beautifully read by WestMAC staff and their children, and edited by Mrs Govier. You can check it out at our YouTube channel: <https://youtu.be/z60JQabQln0> We hope you enjoy!

With the cooler weather we are beginning to see more students presenting with winter illnesses including coughs, colds and sneezes.

Your child should stay home or may be sent home if they have:

- A fever over 38C
- Any single incident of vomiting or diarrhoea in the last 24hrs, or 48hrs after a prolonged episode of gastro symptoms
- A rash, unless confirmed non contagious by a health practitioner (eg eczema)
- Severe nasal congestion, are continuously sneezing and/or have a productive cough (especially if they are unable to manage safe hygiene with these)
- Signs of generally being unwell in themselves making it difficult for them to participate in usual school activities (such as needing more sleep than usual, lethargy, tiring easily, complaining of persistent headaches etc)

They may come to school if:

- They are feeling well and able to participate in usual school activities

- Have had no fever for 24hrs (not masked by medication)
- Are able to safely and independently manage hygiene such as covering a mild cough and disposing of tissues being used to blow a clear runny nose

Whilst you may like to send a little pack of tissues and some lozenges with your child, please remember that any prescription medication such as antibiotics must be handed in to us here in the Health Centre (ideally by an adult) along with a completed Medication Administration form.

WestMAC is one of more than 70 schools participating in the Independent Schools Queensland (ISQ) What Parents Want Survey.

Thank you to those parents who have responded to the longitudinal research since its launch two weeks ago. With independent schools catering to more than 120,000 students, we urge as many WestMAC parents to respond with what motivates and is important to you when choosing a school for your child/ren.

The survey questions are predominantly in a simple multiple-choice format and cover a diverse range of topics, including deciding factors for enrolment; the importance of academic programs, holistic education, class sizes, religious affiliation and diverse learning pathways; and the impact of academic results and the financial commitment to school choice.

The survey will close on 8 June. In the meantime, please participate in the survey if you have not already done so via this link:
